

LAC+USC Medical Center
Vacancy Announcement
Nursing Attendant II
Behavioral Response Team (BRT)
Department of Emergency Medicine
Salary: \$2,649.28 - \$3,461.46 Monthly

Position Information: LAC+USC Medical Center Emergency department is seeking a qualified individual to fill a full-time position as a Nursing Attendant II to be a part of Behavioral Response Team (BRT). This position will report directly to the area Supervising Staff Nurse I.

Responsibilities include but are not limited to the following:

- Assists medical providers, nurses, and/or other health care providers in providing basic nursing care.
- Supports patients with the usual activities of daily living.
- Maintains the area workflow by performing support duties such as answering phones, timely repositioning of patients, restocking unit supplies, etc.
- Employs tactful communication skills with patients, visitors, and staff to encourage a relaxed and stress-free environment.
- Transfers and/or guides patients between patient care areas and diagnostic tests areas to boost higher quality customer service and satisfaction, as needed.
- Impacts patient and family well-being, alleviation, and reassurance by proactive/reactive responses to requests such as providing water, extra linen, and assistance in general.
- Added responsibilities may be assigned.

Desirable Qualifications:

- Effective communication skills
- Strong organizational and problem-solving skills
- Able to work efficiently with a diverse and challenging patient population
- Flexibility and willingness to adapt to various emergency situations and changes in assignment and schedule when necessary
- Provides care in a compassionate and caring manner

Candidates must currently hold a permanent County of Los Angeles payroll title of Nursing Attendant II to be considered for a transfer or are reachable on a DHS certification list to be considered as a new hire.

The most qualified candidates will be contacted for an interview. Interested candidates must submit a cover letter, resume, the last two performance evaluations, and a prime variance time report for the last two years, to:
